

Mail Call Procedures

While Campers enjoy receiving mail we do ask that you limit mail to twice a week and adhere to the following guidelines:

1. Please label all mail with camper's name and cabin number.
2. Don't send money. They don't need it.
3. If you send food, please send or include a sealable containers or Ziploc bag(s).
4. To ensure your mail is received it is best brought with you at registration with the day you want it delivered clearly written on the package.
5. If you prefer to send mail through the Postal Service, please mail to our physical address:

2044 Brownlee Rd
Calhoun, LA 71225

Mail sent to the Post Office Box may not be delivered on time.

6. Day Camp Mail: Because of the volume in past years, we are changing a few things to make Day Camp Call a better experience for our all Day Campers
 - a. Day Camper Mail (packages and letters) will be delivered on Wednesday only.
 - b. You are welcome to bring mail before that day and we will hold on to it until Wednesday.
 - c. We also take mail at when you drop off in the mornings.
